Privacy Policy: External assessors

Name of register

Personal data of external assessors of FINAS in the FINAS Unto

General about register

The register is maintained for the purpose of managing the contact details and competence information of external assessors used in assessments, as well as for communication with them. The maintenance of the register is based on the Act on the competence requirements for conformity assessment services (920/2005, Section 6), Regulation (EC) No 765/2008, and the ISO/IEC 17011 standard.

Legal basis for maintaining the register of personal data

The data subject's consent

of birth: travel arrangements; Language skills: identification of the person, communication; Employer: identification of potential conflicts of interest.

Retention period for personal data

Personal data are retained for as long as the individual acts as an assessor and for ten (10) years after the end of their assessor activities.

Statutory and other sources of personal data

Data subject.

Statutory disclosures of personal data.

None.

Other disclosures of personal data

None.

Transfers of personal data to third countries and international organisations

None.

Categories of recipients of personal data

Organisations assessed by the data subject.

Right of access

The data subject has the right to inquire from Finnish Accreditation Service FINAS whether any personal data concerning them are stored in Finnish Accreditation Service FINAS 's register and, if so, what data are being processed (the data subject's right of access). The data subject may also request the rectification of inaccurate or incorrect personal data.

Right to erasure

The data subject has the right to obtain from the controller the erasure of personal data concerning them where the personal data are no longer necessary in relation to the purposes for which they were collected.

Right to restriction of processing

The data subject may request the restriction of the processing of their personal data if they contest the accuracy of the data, for a period enabling the Finnish Accreditation Service FINAS to verify the accuracy of the personal data.

Privacy policy

General Data Protection Regulation (EU) 2016/679

16.9.2026 unofficial translation

Right to data portability

The data subject does not have the right to transmit their personal data to another controller.

Right to object

The data subject does not have the right to object to the processing of personal data concerning them.

Automated individual decision-making and profiling

No automated decisions or profiling are carried out based on the data contained in the register

Notification of a personal data breach to the data subject

If a personal data breach is likely to result in a high risk to the rights and freedoms of the data subject, the Finnish Accreditation Service FINAS shall notify the data subject of the personal data breach without undue delay.

Consequences of failure to provide personal data

An assessor cannot be assigned to assessment activities if they do not provide the required personal and competence-related information.

Right to lodge a complaint with a supervisory authority

The data subject has the right to lodge a complaint with the Data Protection Ombudsman if they consider that the processing of their personal data infringes the General Data Protection Regulation.
